Click & Sign

Improving business productivity through digital transformation

Tired of papers, mailing, scanning, printing, storing and faxing? Click & Sign offers a reliable, versatile and easy way to sign documents online. Speed up business processes and make your business stand out from the crowd by giving a better user experience to your customers.

- ✓ No software required.
- ✓ Responsive online platform.
- ✓ Send documents and receive them signed immediately.
- ✓ Cost effective compared to traditional paper mails.
- ✓ Conversion rates up to 96% thanks to customer satisfaction.
- ✓ Compliant to eIDAS, E-SIGN Act and OECD - UNCITRAL - ICC regulations.

1 Receive **2 Click** **3 Sign**

Once the signature process is completed, we issue a documentary evidence providing the data, attaching the signed document. The documentary evidence is digitally signed and time stamped.

Click & Sign PRO

Business solutions beyond imagination

Add extra layer of security to your onboarding workflow with Lleida.net eKYC solutions. Give digital transformation a tweak.

Click & Sign PRO features

- ✓ **Upload documents:** your customers can upload any document requested along the process.
- ✓ **eKYC:** we offer end-to-end identity validation and onboarding processes in a compliant regulatory environment.
- ✓ **Tailored control panel** to monitor the status of contracts, and analyse results in real time.
